6.1.1 The Institutional governance and leadership are in accordance with the vision and mission of the Institution, and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance, and in their short-term and long-term institutional perspective plan.

Vision:

To impart futuristic technical education, imbibe knowledge
Research and instill high pattern of discipline
Built on communal trust that serves the nation and the world.

Mission:

To implant in students, the attitude values and vision that will prepare them to lead lives of personal integrity and civic responsibility.
To develop the potential of human resources to meet the requirements of cutting edge technology.
To instill discipline in students and make them technologically superior and ethically strong.
To enable the students to develop their own abilities & talents in order to discover their teaming potentials to the fullest under the privilege guidance of highly qualified and dedicated faculty.

Strengths of the institution:

Green campus, centrally located campus in the city, well-equipped labs and infrastructure.
student's 360° carrier guidance and support, learning by doing experience of students, experienced and dedicated faculty, continuous student's skill development through add-on courses, periodical workshops and FDPs for faculty, digital library.

Opportunities:

1. To connect with local community by offering technical solutions to societal issues
2. To connect with local MSME's for technical support to improve their performance
3. To connect with leading local higher learning institutions (IITH, IIITH, ISB) to enhance further teaching learning activities.
4. To connect with local research organizations (DRDL, NRSA, NFC,) for enhancing research activities
