DRK COMPUTER LABS

The event was organized to address the students of CSE for their better career prospects, placements, and higher education in India and abroad. The students have paid more attention to the speaker old student

On 22nd April 2023, KETANA SAMVARNA delivered an inspirational lecture on the "Essentials of Entrepreneurship and their Impact on Business" at seminar hall. The lecture was attended by final year students.

During the lecture, KETANA SAMVARNA explained the importance of cultivating an entrepreneurial mindset among students in various fields of science and engineering. He highlighted the significance of background ideas, innovation, and risk-taking habits in developing successful startups. The speakers provided insights into career opportunities for science graduates and emphasized the role of strong communication skills in establishing their own startups and creating job opportunities for others.

The event was organized to address the students of CSE for their better career prospects, placements, and higher education in India and abroad. The students have paid more attention to the speaker old student

On 21ST April 2022, YERRA GAUTHAM RAHUL delivered an inspirational lecture on the "Essentials of Entrepreneurship and their Impact on Business" at seminar hall. The lecture was attended by final year students.

During the lecture, YERRA GAUTHAM RAHUL explained the importance of cultivating an entrepreneurial mindset among students in various fields of science and engineering. He highlighted the significance of background ideas, innovation, and risk-taking habits in developing successful startups. The speakers provided insights into career opportunities for science graduates and emphasized the role of strong communication skills in establishing their own startups and creating job opportunities for others.
